Emerie Eze - Frontend & Mobile Developer

Lagos, Nigeria | +234 906 097 3466 | EmerieX@programmer.net | code-bandit.vercel.app

Profile

Passionate Frontend Developer with expertise in Web and Mobile Development, specializing in creating clean, responsive, and user-focused applications. I thrive in collaborative environments, blending creativity with technical expertise to deliver seamless user experiences on both web and mobile platforms.

Skills

Web: React.js, Next.js, Vue.js, TypeScript, Tailwind CSS

Mobile: React Native, Flutter

UI/UX: Figma, Adobe XD, Responsive Design, Wireframing

Tools: Git, Firebase, REST APIs, Expo

Soft Skills: Problem-solving, Team collaboration, Continuous learning

Experience

Frontend Developer & Mobile Developer - Freelance (2022 - Present)

- Built responsive websites and SPAs using React and Next.js.

- Developed cross-platform mobile apps with React Native.

- Collaborated with designers to translate wireframes into interfaces.

- Integrated APIs and backend services with modern frontend frameworks.

Projects

- Code Bandit - A curated coding resource hub built with Next.js & TypeScript.

  https://code-bandit.vercel.app

- E-Commerce Platform - React + Firebase online store with auth & payments.

- Social Connect App - React Native app with real-time chat and social feeds.

- Task Manager Web App - Vue.js app for tracking tasks with priorities.

Education

Emerie Eze - Frontend & Mobile Developer

Self-Taught Developer

- Continuously learning via online courses, bootcamps, and personal projects.
